

Cluster 6

NECTAR Cluster 6 had a very successful cluster workshop at the International NECTAR Conference in The Azores, 16-18 June 2013, with 20 papers in 5 sessions. A selection of papers will be published in a special issue of the European Journal of Transport Infrastructure, with Karst Geurs and John Östh as guest editors. Cluster 6 continues to be a very productive cluster. There are already two cluster meetings planned for 2014. The Joint Research Centre-Institute for Prospective Technological Studies (JRC-IPTS) from European Commission will host a special NECTAR Cluster 6 meeting in Seville, Spain (6th and 7th of February 2014) dealing with the topic of Accessibility and Policy Making. This special meeting is organised by Ana Condeço. At the 2nd World Symposium on Transport and Land Use Research a Special NECTAR session on Accessibility Analysis and Evaluation will be organised by Karst Geurs and Ahmed El-Geneidy. The conference is held at Delft University of Technology, the Netherlands, June 24-27 2014.
